RESOLUTION OF CONFLICTS OF INTEREST

In accordance with the ACCME Standards for Commercial Support of CME, the Duke University School of Medicine implemented mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.

ACCREDITATION

In support of improving patient care, the Duke University Health System Department of Clinical Education and Professional Development is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE) and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the healthcare team.

CREDIT DESIGNATION

Application has been made to Duke University Health System Department of Clinical Education & Professional Development for ANA-PRA Category 1 credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

SPECIAL NEEDS STATEMENT

The Duke Department/Division of Ophthalmology is committed to making its activities accessible to all individuals. If you are in need of an accommodation, please do not hesitate to call and/or submit a description of your needs in writing in order to receive service.

COMMERCIAL SUPPORT ACKNOWLEDGEMENT

This CME activity is supported by educational exhibits. A complete list of supporters will be published in the course syllabus.

ACCOMMODATIONS

Hilton Garden Inn Durham/University Medical Center
2102 W. Main Street | Durham, North Carolina 27705

Solving Keratoconus: What’s Different in 2018
Alan N. Carlson, MD
Professor of Ophthalmology

1:50 – 2:10 PM
Large Series Analysis: How to Best Select Patients for Monovision
Steven Schallhorn, MD
Professor of Ophthalmology

2:10 – 2:30 PM
How MIGS Has Transformed My Practice
Leon Herndon, MD
Professor of Ophthalmology

2:30 – 3:00 PM
Case Based Conference: A Pictorial and Video-Based Journey Through Interesting Cases and Complications
Leon Herndon, MD
Professor of Ophthalmology

3:00 – 4:00 PM
Closing Remarks and Adjourn

SESSION 3: Great Room, Floor 0
3:00 – 4:00 PM
Advances in Management of Craft vs Host Disease
Victor Perez, MD
Professor of Ophthalmology

4:00 PM
Closing Remarks and Adjourn

TARGET AUDIENCE
Ophthalmologists, Optometrists, Technicians and Eye Care Professionals

LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to:
• Be familiar with the medical and surgical management of common cornea and external diseases
• Understand advances in management of pterygium and limbal stem cell disease
• Understand surgical management of presbyopia in setting of cataract surgery
• Understand principles of monovision and appropriate patient selection
• Understand advances in minimally invasive glaucoma surgery
