FREQUENTLY ASKED QUESTIONS (FAQ)

Q: When can I apply?
• Applications are accepted year round.
• The application deadline for the July program start is April 15.
• The application deadline for the January program start is October 15.

Q. Are college pre-requisites required?
• No, but if you have attended college, it is important that we receive an official transcript from the college you attended. Although there are no pre-requisites, it is always helpful to see successful academic performance at the college level.

Q. Is there an age limit?
• You must be 18 prior to beginning your clinical rotations.
• If you begin in July, you must be 18 before October 1st.
• If you begin in January, you must be 18 before April 1st.

Q. Is on-campus housing available.
• Allied Health Program students are not eligible for on-campus housing.
• Off campus housing options may be found at nearduke.com/housing

Q. Is the program eligible for financial aid?

Q. What is the current program tuition (2021-2022)?
• If a student has health insurance, tuition is $11,811.00
• If a student requires health insurance through Duke, tuition is currently $15,416.00
• Health Insurance is required to enter the program. Tuition costs may change without notice.
